**Henley Properties Group Honored As
Australia's No.1 Home Builder!**
2015 HIA Australian Professional Major Builder Award

Henley Properties Group (Managing Director: Peter Hayes; Head Office: Victoria, Australia Hereafter: Henley Properties), one of the group companies of Sumitomo Forestry Co., Ltd., was recently awarded by Housing Industry Australia (HIA) as 2015 HIA Australian Professional Major Builder, the most trusted and prestigious award in the Australian housing industry.

Henley Properties honored for their achievements in the areas of commitment to their new home design, quality construction, customer service and leadership in the local business community. This prestigious accolade follows their consecutive wins as HIA Victoria's Most Professional Major Builder in 2013 and 2014.

HIA Australian Professional Major Builder Award recognizes professionalism in the Australian housing industry. As one of finalists from previous regional HIA-CSR Australian Housing Awards, Henley Properties won the award based on five criteria; executive summary, customer service & satisfaction, leadership of the business and business and financial management. HIA is the only national industry association for Australian building professionals, representing the interests of the housing industry at regional and national levels with a history of more than 60 years.

Peter Hayes, Managing Director of Henley Properties, said “This award is a reflection of the fantastic team we have here at Henley Properties and our continued dedication and commitment to building excellence.” Over the past 26 years, Henley has been a leader in the building industry and these respected awards stand as an absolute testament to the quality, professionalism and expertise that we deliver to our customers every day. “We will continue providing quality living environment to all customers with pride as a leading home builder in Australia” he added.

Henley Properties is one of the leading home builders specializing in new homes, house and land packages, completed homes and knockdown and rebuild solutions across Victoria and Queensland, Australia. The company became consolidated subsidiaries of Sumitomo Forestry in September 2013.
