

A blurred background image of an architectural design meeting. In the foreground, a person's hand is visible holding a red pencil, poised to draw on a set of architectural plans. In the center, a detailed architectural model of a residential building complex is displayed on a table. The model features several white buildings with dark, gabled roofs, interspersed with greenery and a central courtyard. Another person's hand is visible on the right side of the frame, resting near the model. The overall scene conveys a professional and creative atmosphere.
