

Contributing to Realization of Sustained Growth and a Prosperous Society through Business Activities Pivoting on Trees

We at the Sumitomo Forestry Group are engaged in various business activities pivoting on trees. The Sumitomo Forestry Group has accumulated technologies and expertise related to wood almost 330 years since our foundation. We use these and demonstrate our unique strengths of customer trust, a network within and outside of Japan and cultivated brand strength, and we will continue to contribute to the realization of a sustainable and prosperous society through all services related to people's lifestyles.
